MESSAGE:

Fellow HAMS,

This is the inaugural message to the East Valley Digital HAM Net occurring every Sunday, Tuesday, and Thursday Evenings. The purpose of this NET is to introduce Arizona East Vally HAMS to the use of NBEMS digital modes, to practice in a safe and fun environment, and to put another tool in your toolbox for use in excercising your equipment and helping in your community.

The primary tools we will be using include the following modes and software:

MODES:
MFSK 32 up to 128
MT632000L
Scottie 1 (SSTV)

Software:
FLDIGI and FLMSG
OR if you are operating this on an android phone or tablet, ANDLFMSG
SSTV software of your choice

Schedule:
Sunday 9:45 PM - FLDIGI / FLMSG
Tuesday 8:45 - SSTV only
Thursday 8:45 - FLDIGI/ FLMSG

Expect to receive a transmission at the start of the net similar to this with a welcome message and instructions for the net. On tuesday's we'll just be sending images to test your use of SSTV in case of the need to send damage reports or QSL cards.

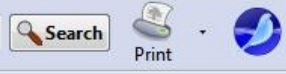

Guidelines for images - no bigger than 320x240 pixels

Welcome and have fun
AG7GK - Aaron
